WATER AND WASTEWATER DEPARTMENT

SEWER ADJUSTMENT POLICY

Adjustments to sewer charges may be made for the following reasons only:

1. Water heater leaks.
2. Plumbing to washing machines.
3. Underground leaks from the meter to the house.
4. Busted pipes in the house causing damage to the interior.
5. Busted pipes under the house that leaks onto the ground.
6. Swimming Pool fill-up not to exceed (1) one adjustment per calendar year.

Proof of leak such as plumber's bill and/or receipts for plumbing supplies must be furnished before any adjustments can be made.
