VARIANCE REQUEST REVIEW

1. James F. Bell Jr. owner of the property located at 108 Boyd Ave. presented his request for a reduction in the minimum lot area to 11,630 square feet (.267). Chairman Marttala asked Community Development Director Nolan Ming if he had a recommendation. Mr. Ming stated that Mr. Bell could come back with a full survey which would eliminate the request for a variance. BZA member Jerry Williamson stated that would be the best idea. Discussions were held by the members. Adjacent property owner B. Kevin Molloy stated he was there just as a neighbor. Mr. Molloy has no concerns with this property. After discussions were held between the members and Mr. Bell, the members recommended to table this request until next month so the property owner could get this property resurveyed.
