McMinnville Dance Academy Class Descriptions:

• **Parent & Me Music/Dance Class: Ages 1months- 2 yr. olds**

Parents or Caregivers have a chance to interact with their child through a combination of music, creative movement, and tumbling. This program is gear to help develop motor skills, musicality, and creativity. In our mommy and me class, are gently nurtured to enjoy singing, dancing, and rhythmic instruments which enhance cognitive, physical, and social development. Discover the joy of dancing together creating a bond to last a lifetime. This is a 30-minute class. Parents and child wear exercise clothing or some kind of clothes to move in, and closed toe shoes or socks.

• **Beginning Combo: Ages 2 -5**

Is a fun introduction to dance that focuses on the beginning techniques of ballet and tap, with an emphasis on creative movements. These classes help to develop an intuitive feel for music, rhythm, and creative dance skills. Children's music is combining with elements of ballet and tap. This is a 45-minute class. Students will need a solid colored leotard, tutu or skirt, hair pulled out of the face, pink tights, pink ballet shoes, and black Velcro strap tap shoes.

• **Primary Combo: Ages 4 -5**

Is a fun introduction to dance that focuses on the beginning/Intermediate techniques of ballet and tap, with an emphasis on creative movements. This class will help prepare them to be more graceful and confident performers. Children's music is combining with elements of ballet and tap. Young dancers acquire balance, pose, and self-confidence in group interactions and performances. This is a 45-minute class. **MUST BE POTTY TRAINED!** Students will need a solid colored leotard, tutu or skirt, hair pulled out of the face, pink tights, pink ballet shoes, and black Velcro strap tap shoes.

• **Ballet/Tap Combo: Ages 6 -12**

This class is a good introduction to the dance styles of ballet and tap, which is for beginners to advance. Also, skills are acquired through an emphasis on technique and concepts developed in classical ballet. Young dancers progress rapidly into graceful and confident performers. They will learn designing a dance combination with guidance, combinations in the center, and across the floor. This is a 55-minute class. Students will need a solid colored leotard, tutu or skirt, hair pulled out of the face, pink tights, pink ballet shoes and black tap shoes.

• **Ballet/Lyrical/Tap Combo: Ages 13 -adults**

This class is a good introduction to the dance styles of ballet, pre-point, and tap, which is for beginners to advance. Also, skills are acquired through an emphasis on technique and concepts developed in classical ballet. Young dancers progress rapidly into graceful and confident performers. They will learn terminology, combinations in the center, and across the floor. In addition, they will create a solo dance movement in class to show their skills they have learned. This is a 1hr class. Students will need a solid colored leotard, tutu or skirt, hair pulled out of the face, pink tights, pink ballet shoes, and black tap shoes.

• **Jazz & Hip-Hop Combo : Ages 5 yr. olds - adults**

This class will consist of jazz technique and combinations. Also, includes and little bit of hip-hop movements into this fun class. High-energy movement and creative choreography combine to make classes a virtual kinetic explosion! This is a 45-minute class. Students will need a solid colored leotard or solid tight fitted shirt, solid black jazz pants or black shorts, hair pulled out of the face, and black Jazz Slip on shoes.
