What is Zumbini?

Created by Zumba® and BabyFirst™, Zumbini® is an early childhood education program that uses original music and movement to promote cognitive, social, fine/gross motor skill, and emotional development for children ages 0-4. All while creating the ultimate bonding experience for you and your child. Students and caregivers need to wear comfortable clothes to dance. Students will receive a bundle kit, which includes a book, stuff doll, and 2 CDs of what we do in class for at home application.

Classes held at the 3 Star Mall
